

SUMMER CAMP

Weekly Themes

Week 1: June 28th-July 2nd

Glitz & Glamour

This Ricochets original theme is for lovers of all things sparkly. Live a glamorous lifestyle this week with glittery crafts and pampering during our Sparkle Party at "Salon Ricochets" where our stylists take the gold for being fabulous!

Week 2: July 5th-July 9th

Born To Be Wild

We wanna hear you roar! Animal lovers are in for the adventure of the summer. We'll explore the animal kingdom and get to meet animals up close when Elmwood Park Zoo comes for a visit.

Week 3: July 12th-July 16th

Tik Tok Unplugged

Get out from behind the screen as we take the virtual fun of Tik Tok offline. During our unplugged week, you'll get to try challenges and trends and make up your own Tik Tok dance. Maybe you'll even go viral! Miss Sofia will get us moving with a special Zumba class just for camp.

Week 4: July 19th- July 23rd

Warrior Fitness

Another Ricochets original week is back! Work on your skills as we jump, leap, and climb through a series of challenges to enhance your strength and agility. Then put your training to the test on the Ricochets Warrior Obstacle course!

Week 5: July 26th- July 30th

Party in the USA

We are bringing the Summer games to Ricochets! Our favorite sport is gymnastics (obviously), but there are so many other awesome sports to play during this week. Will you take home the gold? Go Team USA!

Week 6: August 2nd- August 6th

Time Warp

You don't need a time machine to travel to a different decade. Just come to Ricochets where we will explore music and culture from decades past and imagine what the future will hold. Party at a disco, tie-dye clothes and rip and roar through the new 20s!

Week 7: August 9th- August 13th

Under the Big Top

Step right up and join the fun! Get ready to clown around as we juggle fun and games during our carnival week. Here's your ticket to the greatest show of the summer where you can get your face painted when our special guest Face Art by Jamie comes.

Week 8: August 16th- August 20th

Mad Science

Grab your lab coat and safety goggles! This week we'll be testing and exploring what makes up the world around us. Discover a new branch of science each day in Mr. Brandon's science lab.

Week 9: August 23rd- August 27th

Kitchen Campers

Bon appetit! You're sure to work up an appetite while decorating your own apron and chef hat. Then you'll be able to dress the part when Chef Debbie visits to help create tasty treats to enjoy at home.
